The ANSA committee approached Kev to see if the Club would be interested in hosting a CQ-based event for all ANSA clubs, which would also include an ANSA general meeting. It was discussed that potentially the Club and Cap Tag (two biggest ANSA clubs) may like to co-host the event. Bruce suggested getting some fishing product reps along. Another idea was to host a Barra weekend perhaps a couple of weekends after the Barra Bounty. This was considered a good way of raising revenue for the club, and members are asked to consider and table their feedback at the next meeting.	Ongoing	To be discussed at the next meeting.
